Re:

Appeal no. 210-0003,005

Appellant: 5,841,512 Digital Dailies & Previews, LLC

Dear Sir or Madam:

The hearing in this appeal is currently scheduled for July 14, 2010. I am writing to request that the hearing be reset to a date in the near future.

I am counsel of record for this appeal. I am also counsel of record in a trial scheduled for the week of July 12, 2010 through July 16, 2010 in the Eastern District of Texas Network-1 Security Solutions, Inc. v. Cisco Systems, Inc. et al, 6:08-cv-00030-LED. If, for some reason this trial does not go forward on July 12th as scheduled, I plan on joining my family on preplanned vacation that has been scheduled for the week of July 10th through July 17th for over a year.

When we received notice that the hearing in this matter was scheduled on July 14 (during the middle of the trial or the vacation), we promptly contacted the attorney who had originally prosecuted the underlying patent. He indicated that he could attend the hearing. Last Friday, on June 18, 2010, the attorney informed us that a conflict at his firm arose with respect to representing the Appellant and that, as a result, he would not be able to represent the Appellant and could no longer attend the hearing.

Upon receiving this information, I contacted yet another attorney to see if she could attend the hearing. Unfortunately, she will be travelling in Europe and will not have time after she returns to prepare for and attend the hearing.

Based on these circumstances outlined above, I respectfully request a short continuance of the hearing in this matter so that Appellant can be adequately represented by counsel.

Sincerely,

Sean A. Luner
